

It Pays to Use Natural Gas

Visit City Hall or call **850-584-7161** today!

City of Perry Natural Gas Incentives

As credit on utility bill

Natural Gas Water Heater (30 gal min)	\$200.00 each
Natural Gas Furnace (50,000 BTU min)	\$200.00 each
Natural Gas Stove or Range and Oven	\$75.00 each

Natural Gas Clothes
Dryer

\$50.00 each

Natural Gas
Fireplace or Space
heaters

\$35.00 each

Natural gas

Natural gas heat is often less expensive than electric or propane heat
Enjoy the warm comforting feel of gas heat, no cold air from registers
Cook like a chef, with the infinite control and instant heat of gas
National Association of Home Builders says, homes with natural gas
command a 4 percent price premium over total electric homes

Maximum Incentive

Maximum Incentive \$750.00 per residence

Homeowners will receive incentive as a credit on their City utility bill

Contractors building "spec" homes will have incentives as a credit towards City issued permit
fees

Incentives only available to one entity (i.e. Homeowner or Contractor, not both)

Applies to new construction as well as new addition of natural gas at existing locations.
